Anthony Ashiotis & Co LLC
Anthony Ashiotis, Managing Partner

Email: ashiotis@ashiotis.com.cy

Anthony Ashiotis & Co, established in 1990, is a well known firm of qualified auditors, accountants and consultants based in Cyprus, offering a wide range of services of the very highest standard to a large portfolio of clients based in Cyprus and abroad. Our head offices are based in the centre of Nicosia, house state of the art technology and meeting facilities and a team of professionals who aim to add value to the level of our work and protect the interests of our clients.

OUR PHILOSOPHY

Respecting the confidentiality of our clients' affairs.
Respecting all our clients irrespective of size and location.
Upholding high standards of honesty and integrity.
Striving always to improve the range and quality of our services.
Providing a timely response to meet deadlines and keeping our clients informed about the progress of our work.
Returning telephone calls promptly and providing answers to enquiries within 24 hours.

We are well known for the quality and accessibility of our people who are specialised in meeting the auditing, accounting, taxation and business advisory requirements of our clients, having high education and qualifications and considerable experience.

Our team is multilingual and staff turnover is almost non existence, thus reassuring you of a continuous high standard of service. The excellent working environment, the attractive remuneration packages and the many other incentives and rewards offered to our staff have contributed greatly to the fact that most have been with us for many years and are expected to progress with us for many years to come.

Our firm regularly provides our people internal and external training and development courses, always aiming for continuous improvement.

Aspen Management Services Ltd
Marina Zevedeou, CEO of Aspen Trust Group

Email: marina.zevedeou@aspentrust.com

"The Aspen Trust Group is one of the pioneers of the corporate service industry in Cyprus. Since the establishment of the Group in 1998, it provides financial advisory, consulting services and international structuring solutions to Corporates and High Net Worth Individuals. Specific services include setup and management of entities globally, legal and administration services, banking and tax compliance, financial management and restructuring, re-domiciliation, patent registration, residency and immigration, cross-border mergers, family office services, intellectual property consulting and headquartering.

The Aspen Trust Group's vision has been to provide financial optimization structuring tools to businesses, enhancing the boundaries of international trade and investment, managing individuals' wealth today and developing new sources of wealth for future generations.

The core values of the Aspen Trust Group are transparency, integrity, efficiency, professionalism, trust, respect, patience, nurturing, responsibility, cooperation, and compassion. Most of the firm's clients honour these values by being part of its philosophy for more than a decade. While assisting its clients break business frontiers and sustain market success, the Aspen Trust Group becomes part of their business growth.

The Aspen Trust Group has worked one-on-one with corporate and private clients to provide strong, flexible, and evolving business solutions. This is the Aspen tree philosophy. Inspired by the connectivity network found in an Aspen Forest, the firm's professionals work together with clients to understand and tailor multi-disciplinary services and grow the clients' potential into a grove of business success.

The Aspen Trust Group's team consists of qualified accountants, lawyers and MBA-holders who undergo rigorous training to provide tailor-made solutions."
