Dear Members,

Kindly be advised that the Cyprus–UK Business Association will host an in-person briefing titled “Northern Ireland: A Key Business Partner to Cyprus.” This event powered by PwC will feature a presentation by Mr. Nick Lestas, Honorary Consul of Cyprus to Northern Ireland, followed by an open discussion on the expanding commercial and business relations between Cyprus and Northern Ireland.

Date & Time: Monday, 8 September 2025 at 17:00
Venue: PwC Experience Centre, Demostheni Severi 43, Nicosia

Northern Ireland offers Cypriot companies a unique post-Brexit advantage that is direct access to both the UK internal market and the EU single market for goods. Its dynamic SME ecosystem, excellence in advanced manufacturing, fintech, agri-tech, life and health sciences, and a thriving creative sector make it an ideal partner for Cypriot enterprises.

The session will highlight:

- Dual-market access opportunities for exporters and investors
- Collaboration prospects across SMEs and R&D in the aforementioned sectors, as well as green-economy initiatives
- Talent pipelines and innovation support available through Northern Ireland’s universities and city deals

RSVP: Please confirm your attendance no later than Thursday, 4 September, by completing the registration form [HERE](#) so that we may finalize the arrangements.
